

**Wissard Science Reports  
2013-14 Field Season**

Prepared by on-ice WISSARD-lite PI (Dr. Slawek Tulaczyk, UCSC, C-521/525)

Field Location: Subglacial Lake Whillans area

Field Personnel:

Slawek Tulaczyk, Matt Siegfried, Carolyn Branecky, Grace Barcheck, Neil Foley, Doug Bloomquist

**-- January 5, 2014 --**

- (i) Grace Barcheck, Doug Bloomquist, Carolyn Branecky and Slawek Tulaczyk traveled to the Site 2AB area to collect data from the five-station surface seismic network installed there at the end of January 2013.
- (ii) Matt Siegfried and Neil Foley stayed at the camp to work with recently collected GPS data, to plan work in the upcoming days and to continue camp maintenance.
